Dear Mr Weisburg,

In response to your letter of the 6th, I would be happy to help in any way possible. I do have access to the testimony and if you will give some indication as to procedure I will do my best. Maybe if you simply gave me the address of the gentleman in Philadelphia we could take it from there.

I guess I should warn that my finals start in about a week but after they are over extra time will be fairly easy to come by.

If you dont have time to write, the best time to reach me by phone is after 2 P.M. as my classes run until th that time.

Once again , I'll be glad to help.

Sincerely,
Jay Donahue.

P.S. Hope you made out well in Chicago
